Minister's Message

I am delighted to bring you this updated edition of our **Directory of Native Communities and Organizations**.

In our province, we have the largest population of Native people in Canada and a growing network of Native agencies and organizations. Many are located in Northern and remote areas of the province.

This Directory with its convenient geographic and thematic listings provides you with quick and easy access to Native communities and services throughout Ontario. Developed by the Native Community Branch, the Directory is a useful resource for both government and external agencies that work with Native people.

A handwritten signature in dark ink that reads "Lily Munro". The signature is fluid and cursive.

Hon. Lily Munro
Minister
Ministry of Citizenship
and Culture

Introduction

This directory consists of two major sections: Thematic and Geographic. Only communities with incorporated Native organizations are listed. Individuals are not cited in the directory. Headings in the Geographic Section of the directory reflect the field areas of Native Community Branch offices.

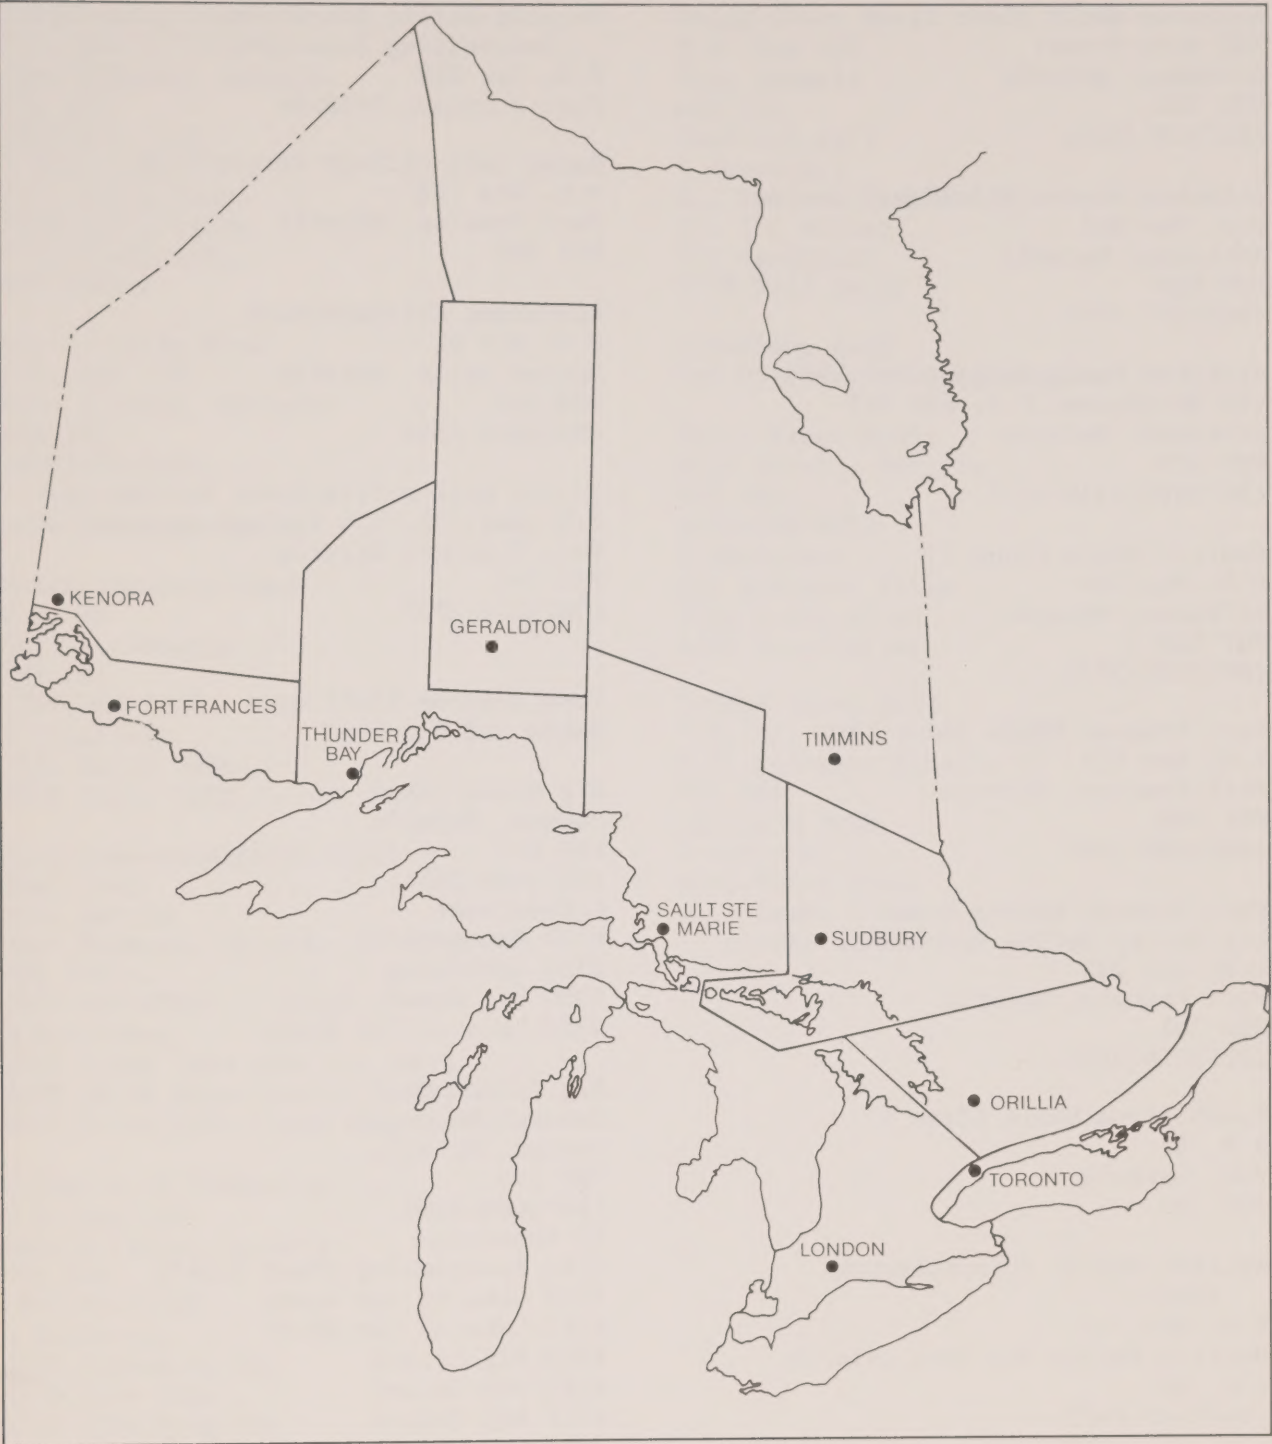

While listings have been updated and checked for accuracy, undoubtedly errors and omissions exist. Agencies should feel free to bring errors to the attention of the branch.

Special thanks are due to the many cooperative groups and individuals who offered their assistance in researching and preparing this second edition.
